MAVES 2018

Overview:
MAVES 2018 is an educational conference that looks at Mechanical Circulatory Support of Heart Failure Patients from a multi-disciplinary approach.

Objective:
- The attendee will have an increased knowledge of VADs and ECMO.
- The attendee will be introduced to new modalities currently being utilized in heart failure patients as well as learn of new techniques and devices on the horizon.
- The attendee will be exposed to new uses of current devices and gain an understanding of how these techniques can be applied to the ever-changing landscape of healthcare.

Previous MAVES have been awarded 10 Category 1 CEUs for CCPs, 8.3 Contact Hours for RNs, and 8.3 CRCE credits for RTs. Similar credit is anticipated for 2018.

Parking
See our website for more information.

For more information or to register online: https://mdperfusion.com/events/

Cancellation Policy: Written requests received by 4/21/18 at 23:59 will receive refund minus $5 processing fee. No refunds after 4/21/18.

For questions, contact Keith Amberman – treasurer@mdperfusion.com [610.324.9183].

Agenda

Moderators: Harvey Ellis CCP, LP and Karounka Keita CCP, LP

| 08:00 – 08:50 | Update in Lung Transplantation Extracorporeal Support  
  Dr Errol Bush  
  The Johns Hopkins Hosp, Baltimore, MD |
| 08:50 – 09:40 | ECMO: A Temporary Solution that Deserves Durable Attention  
  Dr. Don Choi  
  The Johns Hopkins Hosp, Baltimore, MD |
| 09:40 – 10:30 | How to start an ECMO Program and Lessons learned  
  Dr. Kenton Zehr  
  The Johns Hopkins Hospital, Baltimore, MD |
| 10:30 – 10:50 | Break/ Exhibits                            |
| 10:50 – 11:40 | Extracorporeal Life support: The Current State“  
  Dr. Farzad Najam  
  Director, Division of Cardiac Surgery  
  The George Washington University Medical Center |
| 11:40 – 12:30 | Use of mechanical circulatory support in congenital heart disease  
  Dr. Kristen Nelson  
  The Johns Hopkins Hospital, Baltimore, MD |
| 12:30 – 13:15 | Lunch/ Exhibits                            |
| 13:15 – 14:05 | Neurologic injury on pediatric mechanical support  
  Dr. Kristen Nelson  
  The Johns Hopkins Hospital, Baltimore, MD |
| 14:05 – 14:55 | Protocolized Approach to Heartware VAD for Implantation for Pediatric Heart Failure  
  Dr. Narutoshi Hibino  
  The Johns Hopkins Hospital, Baltimore, MD |
  Dr. Glenn Whitman  
  The Johns Hopkins Hospital, Baltimore, MD |
| 15:45 – 16:05 | Break/ Exhibits                            |
| 16:05 – 16:55 | Through a Nurses Eyes... Extra Care Measures Improve Outcomes  
  Jennifer Moyer RN and Shawn Sullivan RN  
  The Johns Hopkins Hos pital, Baltimore, MD |
| 16:55 – 17:45 | Massive Blood Transfusions  
  Dr. John Hodgson  
  Walter Reed National Military Medical Center, Bethesda, MD |
| 17:45 | Adjourn                                    |

Registration Form
Please print clearly

Name to appear on badge: ______________________________________

Address: ______________________________________
City, State, ZIP: ______________________________________
