

Mid-Atlantic VAD and ECMO Symposium

**Overview: COVID-19 Discussion.**

MAVES 2020 is a Live educational Webinar that looks at Mechanical Circulatory Support of Heart Failure Patients and Organ Perfusion from a multi-disciplinary approach.

**Objective:**

- The attendee will have an increased knowledge of VADs and ECMO.
- The attendee will be introduced to considerations when treating COVID-19 ECMO patients
- The attendee will be exposed to new uses of current devices and gain an understanding of how these techniques can be applied to the ever-changing landscape of healthcare.

ABCP has been awarded MAVES 2020: 10 Category 1 CEUs for CCPs, **RNs and RTs will need to apply**
