

Preliminary Agenda

Live | Webinar

Moderator: Harvey Ellis, CCP, LP

Overview: COVID-19 Discussion.

MAVES 2024 on May 4, 2024 (Saturday) is a Live educational Webinar that looks at Mechanical Circulatory Support of Heart Failure Patients and Organ Perfusion from a multi-disciplinary approach.

Objective:

- The attendee will have an increased knowledge of VADs and ECMO.
- The attendee will be introduced to considerations when performing Ex Vivo Organ Perfusion
- The attendee will be exposed to new uses of current devices and gain an understanding of how these techniques can be applied to the ever-changing landscape of healthcare.

ABCP in the past has awarded MAVES 2024: 10.0 Category 1 CEUs for CCPs, **RNs and RTs will need to apply**
